

“HEALED HEARTS”

By Mary Mayko

**Why was my heart so broken, would it even mend?
The pain was so fearsome, I wondered if it would ever end!
The words were so cruel and quite untrue!
They left me downhearted and feeling so blue!**

**Bad news from the doctor, will I even live?
All these worries to my Lord, I really must give!
Sometimes disappointments can ruin your day,
But asking Jesus to help you is the best way.**

**God is a Healer for any torn or broken heart.
He loves to mend them and grant a new start!
His words override unkind things that were said.
And takes the bitterness right out of our head!**

**Our disappointments are often in God’s plan.
He uses them to redirect many a woman or man.
So if we live or die, He is our power and our peace.
For heaven’s our destiny, and there joys never cease!**

**With our hearts now healed, our joy will abound,
New peace of mind and trust we have found!
As the Lord has healed our hearts to others we must go,
His love and compassion to them we freely bestow!**

**Our life and our times are truly in God’s hand,
Our health and healing is a gift so grand!
How thankful we are to have such a Savior and Friend
Our lives are restored and we will stand fast to the end!**

Ps.73:21-26 “When my heart was grieved and my spirit embittered, I was senseless and ignorant; I was a brute beast before you. Yet I am always with you; you hold me by my right hand. You guide me with your counsel, and afterward you will take me into glory. Whom have I in heaven but you? My flesh and my heart may fail, but God is the strength of my heart and my portion forever.”

In 2003 the Doctor said I had a serious heart problem and needed immediate procedures. Although fearful at first, God gave me this Passage and calmed my fears, healing both my mind and my physical heart! The blockage was not there before the procedure was even finished! Praise God, He heals hearts! Mary Mayko

“IT TOOK THE HEART OF GOD”

By Dan Price

Judas led the voiced crowd, who were like a riot mob,
Jealous leaders trying to justify their acts, saying it was their job!
Silver jingled as Judas kissed the One he betrayed
Only moments before, a heavy heart and mind as Jesus prayed.

Before them, they mocked and disgraced Him in that place.
They beat Him, they cared not as they spit in His face!
With a rugged force of hands, the crown of thorns went into His head.
They paid no attention to His pain, nor the flow of crimson red!

Angels were always at His command,
But it took more than the three nails for His feet and His hands
To hold Him to the cross, that will ever stand.
It took the heart of the Son of God, to change the heart of man!

It took more to stay, although the sentence on the cross was for our good.
It took more than three nails and two cross timbers of wood.
It took the eyes of God looking out into eternity,
It took souls' harvest field, to bear Calvary!

It took the compassion of God as He looked down from above,
It took the Grace of God to offer so great of love.
It took more than three nails in His feet and His hands,
It took the Heart of God, to save the heart of man!

John 15:12-14

**“My command is this:
Love each other as I have loved you.
Greater love has no one than this,
that he lay down his life for his friends.
You are my friends
if you do what I command.”**

“WONDERS OF GRACE”

By Mary Mayko

**I rouse from my sleep and begin yawning,
I welcome this day that is just dawning.**

**What a wonder to look at the days' new sky,
With lovely colors touching the clouds as they float
by!**

**I consider how loving and kind The LORD is to all!
When I survey all His wonders, both great and small!**

**He opens my eyes to see His wonders of Grace,
And I am awed by His kindness to this human race!**

**When I have been unkind or failed in some way,
I want to come to Him, but what can I say?**

**I feel so unworthy, tho' I know He will forgive,
So I come now with a bowed heart so I can freely live.**

**Wonders of Grace He gives in our daily life,
If we look to Him in the midst of our strife!**

**How astonishing to know He is always there
To comfort my heart when it's full of care!**

**As I relax at the end of a long hard day
I rest in His Presence, come what may!**

**I thank my LORD for His keeping Grace,
And cherish the day I will see His face!**
