

“ARISE MY SOUL”

By Mary Mayko

Take heart my soul, though we fall, we will arise!
Be careful now and do not listen to Satan's lies!
Arise my soul and take heed to what the Scriptures say.
God will lift us up when we fail to walk His perfect way.

When those you have trusted come against you now,
Arise, my soul for God will help you somehow!
You don't have to sit there so sad and forlorn,
For He gives you comfort when you weep and mourn!

Our time on this Earth may be short or long,
So be sure to fill it up with love to Him in a song.
Praise God in your heart regardless of all strife.
Arise my soul and let the LORD bless your life!

Psalm 37:23-24 KJV “The steps of a good man are ordered by the LORD: and he delighteth in his way. Though he fall, he shall not be utterly cast down: for the LORD upholdeth him with his hand.”

Micah 7:8 KJV “Rejoice not against me, O mine enemy: When I fall, I shall rise; when I sit in darkness, the LORD shall be a light unto me.”

HIS HAND UPON MY HEART

By Mary Mayko

Such a loving Savior, so full of Grace!
If only we'd seek Him, we could see his dear face!
To accept with assurance that from us, He will never depart,
For He promised to keep His Hand upon our heart!

Through times of darkness, pain and fear,
I need to trust Him, for He is always near!
I know He will *more* than do His part,
To quiet my soul, with His hand upon my heart!

I deeply desire His Hand to protect my way,
To grant me wisdom in all I do or say,
And allow Him to truly direct my life chart,
For He has the right to handle the concerns of my heart!

His love for me is greater than I can know,
Through all my struggles, He comforts my woe.
He sees all the times I have been struck with a fiery dart
And His gentle Hands will mend my broken heart!

He looks for holiness within my soul,
For He desires to make me like Him, pure and whole!
More than once, I've needed a brand new start,
So by His Blood, though His Word, He cleansed my heart!

Thank You Jesus, for all You have done,
For encouraging me on and the victories we've won!
For giving me assurance that, from me, You will never depart,
And strengthening my soul, with Your hand upon my heart!

“9-11 MOURNING”
By Dan Price [9-11-07]

**It was a bright and a clear morning,
The office people were not aware of threat or warning!
Then the airliner with all of it’s power,
Came like a thief, and hit that first WTC tower!**

**Images etched in people’s minds of the plane and billowing smoke.
Panic and terror came as people ran and the dust caused them to choke!
NYPD, NYFD and EMS were coming to help and grasp control
To save any victims and to aide some poor soul.**

**Our Nation and all across the world the people were in unbelief,
As TV screens showed the horror and hearts were now in grief.
Many people began to pray, for then the unimaginable came again!
Another jet hit the other tower destroying more lives of innocent women and men!**

**The News reported another jet hitting The Pentagon!
What had happened since the beginning of this 9-11 dawn?
They vacated the Capitol and the White House as they were in danger now!
What kind of hijackers or terrorists had made such a death vow?**

**Across the sky a lone plane flew, unknown hearts began to yield.
Eternity began for more in that Pennsylvania field.
Heroes had diverted that flight ninety three!
All were lost, more lives added to this atrocity!**

**Americans were in shock as we were under attack!
News filtered about suspected terrorist, were they from Afghanistan or Iraq?
Security levels ran dangerously high,
No planes but military were to be in the sky!**

**Lives were forever changed in such a short time frame.
Countless people lost loved ones and life for them would never be the same!
Stories of all the unsung heroes would take a lifetime to tell
Of their bravery and unselfish help on this nine-eleven day of hell!**

**That day will go down as one of America's most memorial days of history
As a day of tragic loss of civilian mankind in this Land of Liberty.
For it hit like a thief without warning
That left America in and on Nine Eleven, Mourning!**
