

## WALK WITH HIM!

By Mary Mayko

You said that we are to walk by faith and not by sight,  
To let Your reflection in us become a shining light!  
At times it seems things are *so dark and we really must rest*  
'Til we are able to rise up to help others do *their* very best!

If we do not run ahead but wait and walk with Him,  
Surely faith will soar in our soul and we know we will win!  
What a blessing to Him and others our life will be,  
As we determine to stay faithful, loving and free!

Each new day we seek our Savior and our dear Friend,  
For He will keep us from the bondage of strife and sin.  
What a witness to many as we walk with Him in victory,  
Throughout this life on Earth and on into Eternity!

When others see us walking in faith by the way we live,  
May it help them find Jesus and to Him, their hearts give!  
Walking in love by the Living Spirit of our God,  
Sealed by the Savior, and washed in His precious Bleed!

So come on now! Walk determined that you will be,  
All that God wants and has for both you and me!  
When we truly live for the LORD, our life here on earth  
Will be precious to our Jesus, and of tremendous worth!

Be thankful for all the LORD had done for you,  
And then to others be helpful, loving and true!  
So, come walk with Him and obey whatever we are told,  
And one day we will walk with Him in that City of Gold!

THE BEAUTY OF THE SEA  
Dan Price 1976

The beauty of the sea  
Is spectacular to me!  
Ocean waves that roll  
Bringing music to my weary soul.  
The tide comes in and out  
The fishes swimming about  
Sea shells that seem to glisten  
And carry the ocean sound, if you listen!  
The sand is warm to your bare feet,  
And a friend or stranger you might greet.  
As you walk the shoreline path,  
There is joy, no feelings of strife and wrath.  
The sea gulls flying the sky  
Screech! Screech! Is their cry!  
A sailboat is moving by the wind,  
Yes, the sea, the ocean seems like a friend.  
There you see people swimming or fishing.  
Some may be just dreaming and wishing!  
But the sea seems like a kindly mother,  
When giving her soothing sounds to one after another.  
As dusk draws near,  
You may shed a tear,  
But the beauty of the sea  
Is just another wonder God created for you and me!

Dan Price

Isaiah 42:10 “Sing unto the LORD a new song, and His praise from the ends of the earth, you who go down to the sea, and all that is in it, you coastlands and you inhabitants of them!”

Psalm 107:22-24 “Let them sacrifice the sacrifices of thanksgiving, and declare His works with rejoicing! Those who go down to the sea in ships, who do business on great waters, they see the works of the LORD, and His wonders in the deep.”

## **“WHEN GOD WHISPERS!”**

**By Mary Mayko**

**When God whispers gently, do we really hear His voice?  
Will we just *keep on talking or be quiet*? It really is our choice!  
Sometimes our lives are filled with many things we *simply must do*!  
But! Are they what *God* wants? Quite often, we do not have a clue!**

**We expect His voice to flash like a torch or roar like thunder!  
When we don't seem to hear from Him, it makes us stop and wonder!  
The money we have just *won't stretch* to cover all our expenses,  
Yet He speaks softly, “Come now, stop making all those defenses!”**

**When the fiery trials and storms of our lives rage all about us,  
We want Him to *shout those answers*, and we think *He simply must*!  
We keep looking around for someone else to take *our blame*!  
We *still* can't seem to hear Him, although He is whispering our name!**

**Why do we keep carrying our burdens while we are griping and complain?  
If we'd quiet our souls we might hear Him say, “*I want to share your pain!*”  
How long will we *just keep on talking* and show anger as we pray?  
How long before we *hear Him whisper*, and really know what *He* has to say?**

**When we are overcome by sickness and lie helpless on our bed.  
Many doubts and fears come quickly to fill our troubled head!  
But with God's healing touch we will surely start to mend,  
As He gently speaks to remind us, *He is with us* until the end!**

**When our soul is bowed down with anger and agony, shame or grief,  
We need to listen closely, for He is still speaking peace and sweet relief!  
Isn't it time to be still and know when God whispers in His gentle way,  
He is teaching us *to wait for His answers*, as we knee down to pray!**

**If we will not quiet our own soul, we may stumble as we are walking!  
Listen now, “*Be still and know that I am God!*” Let’s let *Him* do the talking!  
What a wonderful blessing when we hear Him as He softly speaks to us!  
We have that sweet assurance that *His Voice is the One* we can always trust!**
