

**“HEART FULL OF HOPE!”**

Mary Mayko 2000

A heart full of hope will lift you from the pit of depression,  
Reflecting on His Promises, we can surely make a wise confession!

Hope brings to us His joy and strength as we look to Jesus,  
For He is our Redeemer, the One who always sees us!

No matter what our troubles, trials or victories may be,  
A cheerful heart will show God’s faithfulness for all to see.

His Word is there to guide us daily, and will keep us from doing wrong.  
We know when we are weak, His Spirit within is always strong.

Hope is like a diamond, sparkling colors like a rainbow bright.  
It takes us out of darkness and fills our soul with His light!

As Christ is our Savior, His Spirit helps us make the right choice.  
He encourages us with a heart of hope so we can truly rejoice!

**Psalm 51:10** “Create in me a clean heart, O God; and renew a right spirit within me.  
V.12 “Restore unto me the joy of thy salvation; and uphold me with thy free Spirit.’

Psalm 84:5 “Blessed is the man whose strength is in Thee;  
in whose heart are the ways of them.”

### BEHIND THE NEIGHBORS FRONT DOOR

A young mother paused at the front door of her apartment,  
She pulls off a note that says past due rent.  
She shed some tears, and her two little kids begin to cry,  
Where was their daddy, they were wondering, why?  
This is America, the land of plenty---  
But there is hunger and despair, are eyes looking at me?  
If we could see, what's beyond the neighbors door,  
But this is America, too proud to be in need, or help the poor?

An elderly couple is watching the news,  
About health care, what will they choose?  
Then there's the everyday worker, looking at his 401k  
Will there be enough for his retirement days?  
A couple with a broken, American dream,  
Because of job lost, heartbreak it seems.  
This is their last night behind their front door,  
Tomorrow foreclosure, it's not their house anymore!

Business as usual, back in DC  
Elected officials are looking out for me  
But, In God I Trust, I will even more,  
The big White House, what's that neighbor doing behind that front door?  
This is America, it's behind our neighbors front door,  
This is America, what's in store?  
This shouldn't have to be,  
How long will we remain, still free??

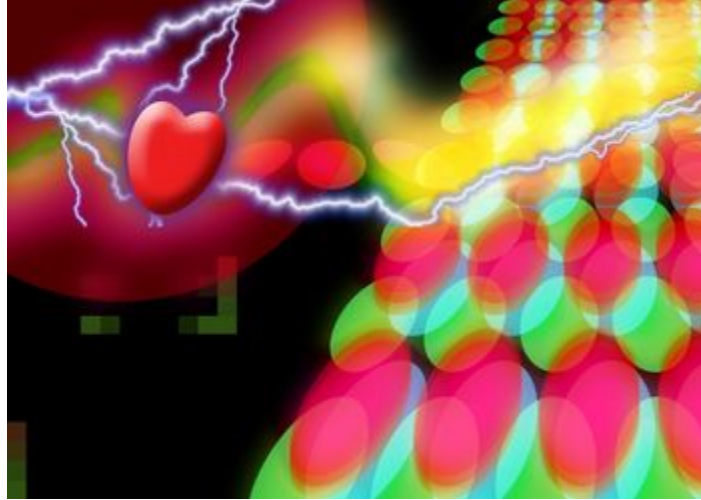

If we will go to the Father, ask forgiveness, for our Nation's need,  
GOD sees the poor, the hungry he will feed.  
Is he speaking to my heart, my hands and feet,  
Is there some way I can help, my brother in his defeat?

The answer is waiting behind heaven's front door,  
A nation must confess, get on our knees once more.  
Why are we waiting, complaining, and in despair,  
He holds the answers, He is always there!

By Dan Price

2 Chronicles 7:14

If my **people**, who are called by my name, **will humble themselves** and pray and seek my face and turn from their wicked ways, then **will** I hear from heaven and **will** forgive their sin and **will** heal their land.

### **“HEALED HEARTS”**

**By Mary Mayko**

**Why was my heart so broken, would it even mend?  
The pain was so fearsome, I wondered if it would ever end!  
The words were so cruel and quite untrue!  
They left me downhearted and feeling so blue!**

**Bad news from the doctor, will I even live?  
All these worries to my Lord, I really must give!  
Sometimes disappointments can ruin your day,  
But asking Jesus to help you is the best way.**

**God is a Healer for any torn or broken heart.  
He loves to mend them and grant a new start!  
His words override unkind things that were said.  
And takes the bitterness right out of our head!**

**Our disappointments are often in God’s plan.  
He uses them to redirect many a woman or man.  
So if we live or die, He is our power and our peace.  
For heaven’s our destiny, and there joys never cease!**

**With our hearts now healed, our joy will abound,  
New peace of mind and trust we have found!  
As the Lord has healed our hearts to others we must go,  
His love and compassion to them we freely bestow!**

**Our life and our times are truly in God’s hand,  
Our health and healing is a gift so grand!  
How thankful we are to have such a Savior and Friend  
Our lives are restored and we will stand fast to the end!**

**Ps.73:21-26 “When my heart was grieved and my spirit embittered, I was senseless and ignorant; I was a brute beast before you. Yet I am always with you; you hold me by my right hand. You guide me with your counsel, and afterward you will take me into glory. Whom have I in heaven but you? My flesh and my heart may fail, but God is the strength of my heart and my portion forever.”**

**In 2003 the Doctor said I had a serious heart problem and needed immediate procedures. Although fearful at first, God gave me this Passage and calmed my fears, healing both my mind and my physical heart! The blockage was not there before the procedure was even finished! Praise God, He heals hearts! Mary Mayko**
