

“UNDER HIS WINGS”

By Mary Mayko 2004

**He guides us down many a rough road
And our burdens seem to be such a heavy load!
Yet under His wings, He makes them so light
As He speaks to our spirit, “This way is right!”**

**When your troubles come like a flood, don’t you fret!
He is always near and has not failed us yet!
He treasures our lives, He knows and sees all!
He will pick us up if we stumble or fall!**

**Under His wings you can rest in sweet peace,
While all around you, the storms never seem to cease!
You are held safely in the shelter of His love
As we abide each day in Christ our Savior above!**

**Psalm 91:1-2 “He that dwelleth in the secret place of the Most High shall abide
under the shadow of the Almighty. I will say of the LORD, He is my refuge and my
fortress; my God; in him will I trust.”**

WATCH AND PRAY!

By Mary Mayko

**He left the Last Supper and walked up the hill.
It was time for Him to fulfill His Father's will.**

**Three disciples went with Him to watch and pray,
Then He asked them to wait as he went off a little way.**

**He knelt in the Garden of Olives beside a large stone,
And struggled in agony for God's Will all alone!**

**Then rising to His feet and seeking comfort from the three,
Asked, "Why were you sleeping instead of praying for Me?"**

**"Watch and pray, for you are weak and you will surely fall!
When the enemy troubles your soul, on the LORD you must call!"**

**Back to the Garden He went and falling on His knees,
The Savior cried out with sweat, blood and tears in His pleas!**

**Again He came to His friends, but all were asleep like before!
Then back to the Garden to seek His father once more.**

**"Not My Will, but Thine be done, I will drink this cup!
Now I am ready to die for all, and that cross to be lifted up!"**

**In the gardens of agony, we sometimes have to go,
But with His help and strength, we have victory, we know!**

**The struggles we face in life must be won on our knees today.
We must always watch and pray, for there really is no other way!**

Mark 13:33 "Take ye heed, watch and pray: for ye know not when the time is."

“A VISIT TO THE OLD COUNTRY CHURCH”

By Dan Price 2010

**Entering through the old country church door
Memories were recalled, once more.
Where people with needs came,
They left changed, not quite the same.**

**There was singing with praise and joy,
Girls a smiling at the boys.
There were babies on Mother’s lap,
Younger kids on a quilt, taking a nap.**

**There were cracks in the old wooden bench
That might surprise you with a pinch.
When the Spirit began to fall, and they began to shout,
Then the unbelievers threw out their doubt!**

**There were many testimonies, and a long one from Sister Good,
Preaching Hellfire and Brimstone came from Rev. Brotherhood!
The fires and flames, you could almost feel....
It caused the Saints and Sinners once again to kneel!**

**Fire and Brimstone made you squirm
Like salt upon a worm.
But God’s love poured from The Word,
God’s grace and blood, set you free like a bird!**

**Take me back once again,
Where the Spirit moved like the wind!
Where God’s love fills your heart,
Baste in His blessings and forgiveness, you won’t want to depart!**

dp

**Psalm 16:11 “Thou wilt show me the path of life: in thy presence is fullness of joy;
at thy right hand there are pleasures forevermore.”**
