

“ONLY HIS BEST”

Mary Mayko 1992

**We will never know the reality of His peace, ‘til we face anguished troubles or unrest,
Then as God leads us through dark valleys,
we find His help as He gives *only His best!***

**He desires to show us His faithfulness when we face defeat, suffering or shame,
Then He touches us with His comfort
so we can share with others in His Name!**

**It is in His Presence we find true joy and peace as we linger in quietness,
There we renew our spirit and revive our soul
for He gives us *only His best!***

**He gives us a clear vision of His rest so we can be instruments of His grace,
For He changes us from glory to glory,
examples of Christ in whatever we face!**

***Jesus obeyed His Father in every way, so why should we give Him any less?*
We must share His Goodness with others as He did,
who always *gave His very best!***

I looked above for Him to bless, for all around me was only darkness!

All my hope had fled and I could only trust God with this heart that bled!

Please don't forsake me now, "O Lord!" I pray. What would others think or say!"

**I hear a Voice in the darkness speak! "Take courage, for in your weakness,
your soul I will keep!"**

Now hope is renewed and faith increased, for His grace in darkness has never ceased!

His grace is much more than I deserve and will keep me steady so I won't swerve!

We want to prove how strong our faith can be, til faced with a dark and stormy sea!

**Then weakened and humbled we kneel before God, asking for grace
He's already supplied!**

It is by His loving grace we walk each day, to do His will in our words and way.

**How blessed we are, even in our darkest hour, for His grace keeps us
always by His power!**

We need to be aware of His sweet grace that keeps us thankful with joy on our face.

Grace is a gift to all who believe with abundant favor to those who will receive!
