

‘HEALING BALM’

*It seems we are filled with shame and not with trust,
For we feel there no healing balm today for us.*

*Sickness, troubles, wearisome trials often abound,
And we wonder why no healing balm is to be found!*

*The doubts and fears arise like a storm to assault our mind,
And the peace of God we seek is awfully hard to find!*

*Darkness covers our souls like a blanket of despair,
Yet we know the only answer is to cry out to the Lord in prayer!*

*We call upon Jesus to forgive our sins and mend our flaws
And renew our minds and spirit to fulfill His perfect cause.*

*When we are in His Presence the healings can arise
To fill our souls with assurance He will hear our cries.*

*The Lord is our Physician with healing balm of Gilead,
For His loving kindness and mercies will make our hearts glad!*

WALK WITH HIM!

By Mary Mayko

**You said that we are to walk by
faith and not by sight,
To let Your reflection in us
become a shining light!
At times it seems things are *so
dark and really must rest*
'Til we are able to rise up to help
others do *their* very best!**

**If we do not run ahead but wait and walk with Him,
Surely faith will soar in our soul and we know we will win!
What a blessing to Him and others our life will be,
As we determine to stay faithful, loving and free!**

**Each new day we seek our Savior and our dear Friend,
For He will keep us from the bondage of strife and sin.
What a witness to many as we walk with Him in victory,
Throughout this life on Earth and on into Eternity!**

**When others see us walking in faith by the way we live,
May it help then find Jesus and to Him, their hearts give!
Walking in love by the Living Spirit of our God,
Sealed by the Savior, and washed in His precious Bleed!**

**So come on now! Walk determined that you will be,
All that God wants and has for both you and me!
When we truly live for the LORD, our life here on earth
Will be precious to our Jesus, and of tremendous worth!**

**Be thankful for all the LORD had done for you,
And then to others be helpful, loving and true!
So, come walk with Him and obey whatever we are told,
And one day we will walk with Him in that City of Gold!**
