

## My Testimony

The LORD had been dealing with me about writing down the inspiring thoughts I received as I studied and meditated on the Word of God! Thus the Title “Moments With Mary” was originated. I felt a kindred spirit with this Mary who sat at Jesus’ feet enthralled with his words! The Bible teaches us to share the Word of God freely with others. We can do that if we have sat at the feet of Jesus and the Holy Spirit has enabled us to hear His word! The LORD had placed a desire in me about writing a Newsletter entitled “Moments with Mary”. The first Issue was published in 1992, and has grown steadily over the past years. My husband Rocky has been a strong support in my growth for study and ministry for which I am thankful!

I have been active in teaching, speaking and writing for well over 25 years. I have served in many areas of ministry within my home church. Some of my writings have been published in Christian Literature and the Newsletters are often copied and sent around the USA as well as some foreign countries. My husband Rocky and I serve on the Board of Advisors at Philadelphia Biblical University in Langhorne PA.

For over 20 years the LORD has provided a co-laborer for me in ministry. She has worked by my side, quietly assisting me, offering godly wisdom and insight through many trials and triumphs. She reminds me of the co-worker Timothy who ministered so much with Paul! Ann Ford is such a faithful servant of Christ. Her friendship and labor is so valuable to me! I am so grateful to the LORD who often sends us out two by two! Thanks ANN!

Many people, too numerous to mention them all, have encouraged me to share these thoughts and insights on the Web. Many thanks to all of you who have been instrumental in the birth of this new area of ministry! May God’s blessings flow freely in your lives! I thank you for your support in this effort! We are all to use our gifts from God in ways that will glorify Him! Read 2 Tim. 1:6-8 and use your gifts! ~ Mary Mayko
